1. Park in the Virginia Avenue garage (or there are meters along the streets).
2. Walk north along Virginia Avenue.
3. After crossing Rollins St., turn right in front of the Bond Life Sciences Center.
4. Follow the sidewalk Northeast of the Bond Life Sciences.
5. Behind Bond Life Sciences, there is a South entrance to the Physics Building. We will be right inside the doors after the steps.
   The actual sessions will be in rooms within the building.
Larger map to show you the locations of the parking garage and the building where we will begin and end that day.
